## S2-E: Climate zones

This map shows 5 main climate zones in the world.

1. Write a list of the 5 climate zones.

(a)

---

(b)

---

(c)

---

(d)

---

(e)

---

---

2. Match the climate zones to their description. You might like to use this website (<https://earthhow.com/koppen-climate-classification/>).

	Temperature changes a lot during the year
	Warm all year round
	Not too hot or too cold
	Not much rain
	Always cold

3. Look at the map.  
Which climate zone is each country in?

(a) Brazil

\_\_\_\_\_

(b) Egypt

\_\_\_\_\_

(c) England

\_\_\_\_\_

(d) Russia

\_\_\_\_\_

(e) Greenland

\_\_\_\_\_

4. Think about Moree's weather all year.  
Which climate zone would you put Moree in?

\_\_\_\_\_

5. Look at the map.  
Which climate zone is Moree in?

\_\_\_\_\_
